

Angel Buddies

Dear Parishioners,

The “angels” of our parish have joined together to help in various ways those parishioners of the Holy Angels that could use “an extra pair of hands” .

Do any of the following describe your situation ? (*from a young adult, new parent or senior citizen*).

- 🕯️ You have no family members in the area, you would appreciate a call about once a week or so just to have someone to talk to.
- 🕯️ You sometimes run out of one or two grocery items, like milk, bread, etc., so you wish to give a call to our “ *angel runners*” who can go to the store to pick up your item(s).
- 🕯️ You would like some **Respite** for an hour or two so you can run an errand or go to church. (**Only adults would stop by to help you & it would be the same adult each time**).
- 🕯️ You wish to be added to the “**Daily Prayer**” list.
- 🕯️ You wish to receive **a card** during holidays or special events in your life.
- 🕯️ You would like someone to drop off a **bulletin**.

May be you know of someone in our parish
that could use the “angel services.”
Give us their name.

- ✍️ Contact Geri Kogut at 203-237-8697 or fill out a form in the vestibule & drop it in the Offertory basket.
