

Thank You!

Through the course of the year, the parishioners of Holy Angels are asked to donate to the needy. Whether it be to the needy in our parish or in the community, there are many projects that we ask for your help. We are proud and grateful of the generosity of you, our parishioners.

Those on the receiving end of your generosity are also very appreciative of your kindness.

The family of Holy Angels is in our hearts and prayers.

Again, thank you all.
