For the greater glory of God

HOLY ANGELS PARISH

September 21, 2008

Dear parishioners,

God's grace upon all of you!

I'd like to ask you to consider becoming part of a new program that we are offering our members – a new program for simplifying and extending our regular giving option.

Electronic Giving will enable every household or individual to give their church offering by using electronic funds transfer (EFT). You may already be using EFT to pay your mortgage, car payment, or insurance premium through an automatic withdrawal from your checking or savings account.

There is no cost to you for this giving option – the church will pay the service charge. Just think – if you are currently giving on a weekly basis, you won't have to write 52 checks a year! And you won't have to worry about where to put your church offering envelopes.

Please take a look at the enclosed information and consider whether your stewardship would be enhanced by this convenient, consistent way of giving. It will be especially convenient when you travel!

If you would like to participate, you may complete and return the enclosed authorization form. Also, please include a voided check if you want your offering to come out of your checking account; if you would like it to come out of your savings account, include a savings deposit slip. Forms should be turned in to the church office either in person or by mail. If you have questions, please contact the church office (235-3822).

Thank you for your prayerful consideration of this new giving opportunity!

Sincerely yours in the Lord,

Father LaPlante

Father LaPlante, Pastor
