Dear Parents & Guardians,

Attached you will find the registration form for our 2010-2011 Religious Education Program.

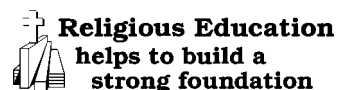

Registration begins April 1, 2010. For all families that now have children in this program, we ask you to register by **June 15<sup>th</sup>**. *Pay early and save!* When you register during April and May, it makes planning for the fall much easier and completed before the summer break. We can plan more effectively for books, materials, room arrangements, the number of teachers needed, as well as receive a discount on our book order.

When filling out the registration form, please provide us with the following information:

- \* \_\_\_\_\_ Completed **two-sided** registration form.
- \* \_\_\_\_\_ Registration fee **or** a payment plan set up with the RE Office.
- \* \_\_\_\_\_ **Baptismal &/or First Communion certificates** if they are not already on file in the RE Office.
- \* \_\_\_\_\_ Updated **Emergency phone #s and contacts**.  
✓ *For your child's safety, they will not be able to stay without that information.*

*Thank you* for your help as we plan for the next program year. Please check our web site at [www.holyangelschurch.org](http://www.holyangelschurch.org) or call our office if you have any questions. Our prayers are with you as you fulfill this important ministry as first teachers for your children. †
