

## **Bulletin Notice for November 7<sup>th</sup> & 8<sup>th</sup> weekend**

### **November is National Religious Education Month**

Please take the time to thank our teachers for giving of their time & talent for such an important ministry.

Our teachers give unselfishly to our program. Often they spend time at home preparing lessons and looking over students' work in addition to the one and a half hours actually working with the students in the classroom. They often purchase craft materials with their own money for students to enjoy.

Many of our teachers attend Saturday workshops to learn of new teaching strategies while increasing their knowledge of their faith, reviewing new materials and meeting other catechists to share ideas. They look at new ways to help out and get our students more involved in their spiritual journey.

Please join me in thanking all of these wonderful people who share their time and talent for our children & youth . . . .
